OHIO STATE DENTAL BOARD
BOARD MEETING
July 26, 2017

Attendance
The Ohio State Dental Board (Board) met in Room 1960, of The Vern Riffe Center for Government and the Arts, 77 South High Street, 19th Floor, Columbus, Ohio on July 26, 2017. Board members present were:

Constance Clark, R.D.H., President
Patricia Guttman, D.D.S., Secretary
Kumar Subramanian, D.D.S., Vice Secretary
Ann Aquillo
Bill Anderson, D.D.S.

Michael Ginder, D.D.S.
Burton Job, D.D.S.
Susan Johnston, R.D.H.
Jamillee Krob, R.D.H.
Andrew Zucker, D.D.S.

Ashok Das, D.D.S. the Board’s Vice President was not in attendance to the meeting.

The following guests were also in attendance: Katherine Bockbrader, Esq. of the Ohio Attorney General’s Office; Nathan DeLong, Esq. of the Ohio Dental Association (ODA); Harry Kamdar, M.B.A., Executive Director, Lyndsay Nash, Esq., Deputy Director, Zachary Russell, Legislative and Communications Coordinator, Kathy Carson, Dental Board Enforcement Officer, and Malynda Franks, Administrative Professional, of the Ohio State Dental Board and other guests.

Call to Order
Constance Clark, R.D.H. introduced herself as the Board President and a dental hygienist from Dublin. After extending greetings to everyone, President Clark noted that there was a quorum present and called the meeting to order at approximately 1:31 p.m.

Board Business
Introduction of Board Members
President Clark then introduced the rest of the Board members. She introduced Dr. Patricia Guttman, the Board’s Secretary and a general dentist from Columbus, Dr. Kumar Subramanian, the Vice Secretary and an Endodontist from Upper Arlington, Ms. Ann Aquillo, the Board’s Public member from Powell, Dr. Bill Anderson, a general dentist from Findlay, Dr. Michael Ginder, a general dentist from Athens, Dr. Burton Job, an Oral and Maxillofacial Surgeon from Akron, Ms. Susan Johnston, a dental hygienist from Columbus, Dr. Jamillee Krob, a dental hygienist from Canton, and Dr. Andrew Zucker, a general dentist from Sandusky.

President Clark stated that Dr. Ashok Das, the Board’s Vice President and a general dentist from Mason, was unable to attend the meeting.
Approval of Agenda
President Clark stated that she had previously reviewed the agenda for the day and asked if there was a motion to approve the agenda with the caveat to amend the agenda due to any extenuating circumstances.

*Motion by Dr. Subramanian, second by Dr. Anderson, to approve the July 26, 2017 Board meeting agenda as presented.*

Motion carried unanimously.

Review of Board Meeting Minutes
June 21, 2017 Meeting
President Clark informed everyone that the draft Minutes from the June 21, 2017 meeting had been forwarded to the Board members for review prior to the meeting and asked if there was a motion in regards to the Minutes from the June 21, 2017 meeting.

*Motion by Ms. Johnston, second by Dr. Subramanian, to approve the June 21, 2017 Board meeting minutes as presented.*

Motion carried unanimously.

Public Comment/Presentations/Correspondence
President Clark noted for the record that there were no public comments, presentations or correspondence to address at this time.

Public Rules Hearing
An administrative rules hearing was held on the following proposed amended and new rules:

- 4715-3-01 Definitions.
- 4715-6-02 Prescribing of opioid analgesics for the treatment of acute pain.

The Board heard testimony and received evidence, State’s Exhibits 1 through 5, from Lyndsay Nash, Esq., Deputy Director and Chief Legal Counsel of the Ohio State Dental Board. There was no written testimony submitted for the Board’s consideration and no witness provided verbal testimony to the Board.

Upon conclusion of review of exhibits and hearing of testimony, the Board discussed these rules as filed and any motions regarding these rules.

*Motion by Dr. Subramanian, second by Ms. Johnston, to final file amended rule 4715-3-01 and new rule 4715-6-02 with the Joint Committee on Agency Rule Review (JCARR), the Legislative Service Commission (LSC), the Secretary of State (SOS), and with the Ohio Department of Development Office of Small Business.*

Roll call vote:
- Ms. Aquillo – Yes
- Dr. Anderson – Yes
- Ms. Clark – Yes
- Dr. Ginder – Yes
- Dr. Guttman – Yes
- Dr. Job – Yes
- Ms. Johnston – Yes
- Dr. Krob – Yes
- Dr. Subramanian – Yes
Dr. Zucker – Yes

Motion carried unanimously.

All the official transcripts from the hearing are maintained in the exhibits section of the Board’s official record of the proceeding. A court reporter was present to take down and transcribe the details of the testimony, discussions, and decisions of the Board.

Action Items

Supervisory Investigative Panel Expense Report

President Clark asked if Dr. Guttman and Dr. Subramanian, the Board’s Secretary and Vice Secretary, attested to having each spent at least twenty (20) hours per week attending to Board business. Both Secretaries affirmed they had spent the hours attending to Board business.

Motion by Ms. Aquillo, second by Ms. Johnston, to approve the Supervisory Investigative Panel Expense report. Motion carried with Dr. Subramanian abstaining.

FY 2017 Financial Report

Director Kamdar introduced Pamela Lively the Boards Fiscal Officer who had prepared and was presenting the FY 2017 Financial Report. Ms. Lively began her report by reviewing the expenses for the past year, explaining that for the most part the Board expenses had remained consistent month to month. She explained the increase exceptions to the expenses by Payroll, Purchased Personnel Services, Overhead & State Back Office charges and Office Equipment categories.

Ms. Lively then explained that this past year was renewal for the dental assistant radiographer certificates and was reflected by the increase in revenues for the months of October 2016 through January 2017. She stated that she had provided the two (2) smaller charts for Fiscal Years 2016 and 2017 Year Ending Totals for comparison to show that during the 2-year biennium for the Board, it shows that during the renewal years for dentists and dental hygienists, the Board operates at a surplus (FY 2016) and that during the renewal years for dental assistant radiographers the Board operates at a deficit (FY 2017).

Director Kamdar thanked Ms. Lively for her report and then explained to the members that the Board had a surplus at the end of this 2-year biennium of just under $283K. He explained that this excess will vanish over the next biennium in part due to the increased cost in the eLicense system from $9K to $59K per year and an additional transaction fee implemented by the Department of Administrative Services for each licensure transaction. He stated that he had requested an increase in the Boards appropriation from the Office of Budget and Management (OBM) to offset the impending projected expenses for the Board. However, OBM only authorized an increase up to $1.6M since the fee increase had not been authorized as of that time. This will mean that the Board will eventually have to request an increase in appropriations through the Controlling Board to match the increase in revenues expected due to the fee increase which was approved by the State legislature.

President Clark thanked Ms. Lively and Director Kamdar for providing the Fiscal Year report.
Enforcement

Proposed Consent Agreement(s)
The Board reviewed eight (8) proposed Consent Agreements. The names of the individuals/licensees were not included in the documents reviewed by the Board. The names of the individuals/licensees have been added to the minutes for public notice purposes. Ms. Nash provided a brief summary of any charges and the proposed orders.

Disciplinary

Ghulam Fareed, D.D.S.
Motion by Ms. Johnston, second by Dr. Krob, to approve the proposed consent agreement for Ghulam Fareed, D.D.S., license number 30.021441, and case number 15-31-0182.

Motion carried with Dr. Guttman and Dr. Subramanian abstaining.

Daniel A. Glick, D.D.S.
Motion by Ms. Johnston, second by Dr. Zucker, to approve the proposed consent agreement for Daniel A. Glick, D.D.S., license number 30.018851, and case number 16-18-1186.

Motion carried with Dr. Guttman and Dr. Subramanian abstaining.

Debra McIntosh, D.D.S.
Motion by Ms. Johnston, second by Dr. Krob, to approve the proposed consent agreement for Debra McIntosh, D.D.S., license number 30.019715, and case number 16-83-1240.

Motion carried with Dr. Guttman and Dr. Subramanian abstaining.

Jonathan J. Runion, D.D.S.
Motion by Ms. Johnston, second by Dr. Krob, to approve the proposed consent agreement for Jonathan J. Runion, D.D.S., license number 30.023280, and case number 17-25-1225.

Motion carried with Dr. Guttman and Dr. Subramanian abstaining.

Non-disciplinary

Amani Alsaery, B.D.S.
Motion by Ms. Johnston, second by Dr. Zucker, to approve the proposed consent agreement for Amani Alsaery, B.D.S., license number 30.025208.

Motion carried with Dr. Subramanian and Dr. Guttmann abstaining.

Peter N. Amin, B.D.S.
Motion by Ms. Johnston, second by Dr. Krob, to approve the proposed consent agreement for Peter N. Amin, B.D.S., license number 30.025209.

Motion carried with Dr. Subramanian and Dr. Guttmann abstaining.

Daisy N. Bachala, B.D.S.
Motion by Ms. Aquillo, second by Dr. Zucker, to approve the proposed consent agreement for Daisy N. Bachala, B.D.S., license number 30.025210.

Motion carried with Dr. Subramanian and Dr. Guttmann abstaining.
Martina Gerges, B.D.S.
Motion by Ms. Johnston, second by Dr. Anderson, to approve the proposed consent agreement for Martina Gerges, B.D.S., license number 30.025207.

Motion carried with Dr. Subramanian and Dr. Guttman abstaining.

Enforcement Update
Ms. Nash began the Enforcement Update by informing the Board that there were originally eleven (11) cases pending hearings of which one (1), Dr. Debra McIntosh had just been resolved via ratification of a consent agreement with the Board. She indicated that there were no cases awaiting a Hearing Examiners Report and Recommendation. She stated that there were still forty-seven (47) licensees and certificate holders under suspension and that there were one hundred and six (106) active cases. Ms. Nash said that there were two (2) new referrals and one (1) licensee actively participating in QUIP. She informed the members that there were eighteen (18) cases which have been investigated and reviewed by the Board Secretaries and are recommended to be closed.

Closed Cases
Due to the requirement in Chapter 4715.03(B) of the Ohio Revised Code, that “A concurrence of a majority of the members of the board shall be required to... ...(6) Dismiss any complaint filed with the board.”, President Clark reviewed the cases to be closed with the Board.

The following cases are to be closed:

</tbody>
</table>

Prior to the vote to close the above listed cases, President Clark inquired as to whether any of the Board members had any personal knowledge that the cases that were being voted on today involved either themselves or a personal friend.

Roll call: Ms. Aquillo – No
Dr. Anderson – No
Dr. Ginder – No
Dr. Guttman – No
Dr. Job – No
Ms. Johnston – No
Dr. Krob – No
Dr. Subramanian – No
Dr. Zucker – No
Ms. Clark – No

President Clark then called for a motion to close the cases.

Motion by Dr. Subramanian, second by Ms. Johnston, to close the above eighteen (18) cases.
Motion carried unanimously.

President Clark thanked Ms. Nash for the Enforcement Report and Update.

Executive Session

*Motion by Ms. Aquillo, second by Ms. Johnston, to move the Board into executive session pursuant to Ohio Revised Code Section 121.22 (G)(3) to confer with Board counsel regarding a pending or imminent court action.*

Roll call vote: Ms. Aquillo – Yes  
Dr. Anderson – Yes  
Dr. Ginder – Yes  
Dr. Guttman – Yes  
Ms. Johnston – Yes  
Dr. Job – Yes  
Dr. Krob - Yes  
Dr. Subramanian – Yes  
Dr. Zucker – Yes  
Ms. Clark – Yes

Motion carried unanimously.

President Clark stated that the Board would now go into Executive Session and requested Ms. Bockbrader, Director Kamdar and Ms. Nash to attend. She requested all other guests and staff to leave the meeting and to take all personal items, including briefcases, purses, cell phones, tablets, etc. with them when exiting the room. She stated that they would be invited back in upon conclusion of the Executive Session.

Open Session

At 3:42 p.m. the Board resumed open session.

Licensure

Licensure/Certification/Registration Report (Issued by the Licensure Section)

Samantha Slater, Licensing Manager, had prepared a report of the licenses, certificates, and registrations issued since the previous Board meeting in June.

Motion by Ms. Johnston, second by Dr. Subramanian, to approve all licenses, certifications, and registrations as listed that have been issued since the June Board meeting.

Motion carried unanimously.

General Anesthesia/Conscious Sedation Permit(s)
President Clark stated that the Board’s Anesthesia Consultant had vetted the following individuals who have applied for Conscious Sedation Permits, evaluations have been conducted, and the applicants are recommended to receive Permits for the specified modality.

Conscious Sedation
Stephen Sala, D.D.S., North Royalton, Ohio – Intravenous
Ami Patel, D.D.S., Pickerington, Ohio – Intravenous

Motion by Dr. Subramanian, second by Dr. Anderson, to grant permits to the licensees for Conscious Sedation in the appropriate modality as listed.

Motion carried unanimously.
Oral Health Access Supervision Permits
President Clark stated that the Board’s Licensing Manager had reviewed the applications and recommended that the following individuals receive Oral Health Access Supervision Permits:

Dentist(s)
Pamela Barkett, D.D.S. - Canfield, Ohio
Jenny Ferdinand, D.D.S. – Elida, Ohio
Soraya Gomez, D.D.S. – Middletown, Ohio
Satinder Pandher, D.D.S. – Bryan, Ohio

Motion by Dr. Subramanian, second by Dr. Krob, to grant Oral Health Access Supervision Permits to the applicants as listed.

Motion carried unanimously.

Reinstatement Application(s)
President Clark stated that the Board’s Licensing Manager had reviewed the applications and recommended that the following dental licenses be reinstated:

Dentist(s)
Mohammadreza Alizadegan Makhsos, D.D.S.
Jeri Stull, D.D.S.

Motion by Ms. Johnston, second by Dr. Subramanian, to reinstate the dental licenses of Mohammadreza Alizadegan Makhsos, D.D.S. and Jeri Stull, D.D.S. to practice in the state of Ohio.

Motion carried unanimously.

Committee Reports

Ad Hoc
President Clark stated that the Ad Hoc Committee had not met that day.

Education

Review of Application(s)
President Clark stated that the Committee had met at 9:30 a.m. that morning with all members present and began the meeting by reviewing three (3) Biennial Sponsor Applications for consideration of approval. She indicated that two (2) of the applications met the requirements as set forth in the law, rules and guidelines of the Board. However, one (1) applicant will be requested to submit clarification information. The Committee recommended approval for Biennial Sponsorship of continuing education for the following:

   Richard I. Mori, D.M.D., M.S. – Mori Orthodontics
   Dr. Scott Silverstein, O.V.C.P.I.
Review of Course(s)
President Clark stated that the Committee had reviewed a request for approval of three (3) General Anesthesia Permit renewal courses from the Ohio Society of Dental Anesthesiology. The curriculums submitted were reviewed and recommended for approval by Doug Wallace, D.D.S. the Board’s former Anesthesia Consultant. The Committee is recommending approval for the following:

Ohio Dental Society of Anesthesiology
1. “Medical Emergency High Fidelity Simulation Education”
2. “Managing Anesthesia Complications in Hands-on Emergency Situations”

Practicum Education
President Clark stated that the Committee had begun discussions on defining “practicums” since the definition in statute is unclear. She stated that there are those who expressed an interest in offering practicum education and may want to have individuals coming from outside the state which would require them to obtain a limited continuing education license in order that they could practice on patients in Ohio. The Committee wanted to ensure that the Board has standards in place for approval of practicums and therefore, feels that practicums should include proper education, clinical training, and assessment. Once the Committee develops a definition for practicum education they will follow up with guidelines for an approval process.

Commission on Dental Testing in Ohio – Correspondence from James Merrill, DDS, Chairman
President Clark informed the members that the Committee had reviewed a letter from James Merrill, D.D.S., Chairman of the Commission on Dental Testing in Ohio (Commission) expressing concerns about the other examination for Expanded Function Dental Auxiliary (EFDA), the Commission on Dental Competency Assessments (CDCA), and also asking direction for the Commission. She stated that she, along with Director Kamdar and Ms. Nash, had met with Dr. Merrill recently in this regard. President Clark informed the members that the Committee decided to reach out to the CDCA to ask that they request proof of completion of EFDA training as a prerequisite for permission to sit for the examination. She stated that the Committee determined that having two (2) examinations for EFDA competency was appropriate and that in addition to reaching out to the CDCA, they would be drafting a letter to the Commission addressing the last paragraph of their correspondence which states:

“We would therefore ask that the Board provide guidance to both testing commissions regarding standards of EFDA competence, the need to verify EFDA candidate qualifications and training prior to testing, and whether or not it is necessary to test EFDA candidates on the Ohio Administrative Code.”

President Clark stated that the letter to the Commission was to inform them that the Board feels that both tests offered valid, reliable examination of candidates for EFDA registration in Ohio and that both examining bodies would be asked to ensure completion of EFDA training by the uploading of documentation from the candidate when applying to take the examination and that neither entity will be required to examine the candidates on the law and rules for knowledge of EFDA practice in Ohio.
Meeting Minutes
Ohio State Dental Board
July 26, 2017

Request For Proposal – CE Tracking and Monitoring
President Clark stated that the last item on the agenda for the Committee was an update on the Request For Proposal (RFP) for CE Tracking and Monitoring which was Priority #4 of the Strategic Plan for last year. She stated that the draft RFP had been submitted to the Department of Administrative Services Office of Procurement Services for approval prior to posting the RFP. She stated that they are currently awaiting a response.

Motion by Dr. Subramanian, second by Dr. Zucker, to approve the Education Committee report and the recommendations for applications and courses.

Motion carried unanimously.

Law and Rules Review
Review and Update Statute and Rules
Dr. Subramanian stated that the Law and Rules Review Committee had met that morning between 10:45 a.m. and 12:00 p.m. and finalized their discussion and approval of the draft revisions to the sections of statute. He stated that Ms. Nash had been directed to move forward in preparing the revisions for the omnibus bill.

Ohio Specialties Education Advisory Group Report
Dr. Subramanian indicated that Ms. Nash had provided the Committee with the recommendations from the Ohio Specialties Education Advisory Group (Advisory Group) and how they had discussed the different requirements or Options the Board was considering. He stated that unfortunately the Committee members had been provided copies of the draft minutes from the Advisory Group meeting at the last minute due to last minute editing. The Advisory Group had recommended to the Committee two (2) of the original five (5) options that they had been presented with, Option B and Option D with the caveat that language regarding grandfathering provisions be drafted and included in the final option chosen by the full Board. Once the Committee had completed their discussions on the recommendations from the Advisory Group, Dr. Subramanian had directed Ms. Nash and Ms. Bockbrader to draft grandfathering language for both Options B and D to bring back to the Committee in September.

Dr. Subramanian stated that the Committee was also recommending that the Board undertake a survey of the general public to see the impact of the different kinds of specialty advertising or specialty designation and the effect that they have on the general public since that is our primary concern.

Fining Authority
Dr. Subramanian informed the members that one of the items on the Committee agenda that he had briefly touched on was fining authority. He indicated that he would now elaborate for the full Board that he had received an e-mail from the Executive Director of the Ohio Dental Association (ODA), David Owsiany, J.D., informing him that the ODA Executive Committee had reached a unanimous decision to support a change in the law to allow the Board fining authority for specific violations of the Dental Practice Act. He stated that they were in support of fines ranging from $250 up to $2,000 for violations relating to infection control, OARRS, or continuing education. He indicated that Ms. Nash would be forwarding an e-mail to the members detailing the specifics which would include multiple different levels up to major infractions. Dr. Subramanian informed the Board members that Director Kamdar was instrumental in bringing about this collaborative effort through many long hours during the week and even through weekends working with him and having discussions with the ODA. He stated that this was
Ms. Johnston congratulated Dr. Subramanian and Director Kamdar on this huge success in seeing their hard work coming to fruition. She then asked for clarification on whether licensees could be fined on more than one violation. Dr. Subramanian briefly explained that the fines would be based on the types of violations, how egregious the violations were, whether it was the first, second or multiple offense by the licensee. He also explained that the Board would have the ability to fine an amount in conjunction with an option to suspend for multiple infractions under more stringent conditions.

Director Kamdar commented that one of the things that the Board must be careful of is in not misusing their power or authority in “stacking” fines. He stated that the Board should remain judicious in their use of fining authority as that is how they were able to get the collaborative process going with the ODA’s participation. He stated that there were many times when he thought the discussions had ended only to have them begin again thanks to Dr. Subramanian. He gave credit to Dr. Subramanian and the ODA for letting go of their original position of “absolutely no fining authority” to allowing this as a nice beginning. He stated that this was clearly an example of how government can work in partnership with the private sector for the greater good of all.

Ms. Johnston asked Dr. Subramanian if it was the intent of the Committee to bring forth their recommendations on the specialty designation/specialty advertising rules to the full Board for decision in September. Dr. Subramanian indicated that was currently the intention of the Committee.

President Clark commented that she has not said much about the matter of specialty recognition, however, she really has concerns about it. She stated that her biggest concern is that she does not want to see the Board “dumbing down” education. She explained that her personal experience of having to reduce the number of hours of education in her program for dental hygiene students from 74 hours to 65 hours because of a governmental decision was difficult, often times rigorous, to achieve without “dumbing down” the educational curriculum and experiences for her students.

President Clark further explained that her concern lies not with the entity that is requiring 500 +/- hours of education but in the ones that are only requiring 150 hours because the area of dentistry, for instance forensic dentistry, would never require enough hours of education to equal a two or three year residency program. She stated that if you stipulate or mandate to the lowest common denominator in order to claim specialty designation then who is to stop entities from developing and licensees from taking courses or programs that are only 150 hours in duration and then claiming they are “specialists”. She commented that it upsets her to think about lowering these educational requirements when she thinks about what students go through to get educated in order to provide dentistry, and the complexity of dentistry in and of itself.

Motion by Ms. Aquillo, second by Ms. Johnston, that the Board staff assist to develop language for Option B and Option D to include grandfathering language and also explore the commissioning of a survey of consumers if the budget can support it.

Discussion followed wherein members expressed their concerns regarding the survey, its cost to the Board, whether to include other boards nationwide, etc.
Director Kamdar stated that at this point it made sense to develop a survey in this regard but also expressed that to do so would negatively affect their timeline. Dr. Job commented that the Board’s first consideration should be the cost involved due to budgetary concerns which will quickly determine whether it is realistic for the Board to come up with the resources to initiate a survey. Ms. Aquillo suggested that the Board contact DAS Office of Procurement to see if there are any additional limitations or restrictions that the Board has not yet considered.

Director Kamdar stated that the motion is suggesting that the Board explore the possibility of a survey. He said that the decision whether to proceed with a survey may be mute if it is budgetarily untenable and if it appears that this is going to take a while for the development of the survey itself, followed by validation and review.

Motion carried unanimously.

Operations
President Clark stated that the Operations Committee had not met that day.

Policy
Ms. Johnston stated that the Policy Committee had met earlier at 9:45 a.m. to 10:30 a.m. that day with all Committee members present along with guest, Nathan DeLong of the ODA. She stated that the Committee had continued on with the Strategic Priorities to review and update Board policy by reviewing policy J-502: Policy Regarding Termination of the Dentist-Patient Relationship. She stated that the Committee had discussed the policy at their last meeting and made some revisions. She said that the language has been put into the new policy format and was now being recommended for adoption. She stated that the Committee has several policies which have competed committee review and they would be sending them to all the Board members for review and consideration prior to consideration of approval at the meeting in September.

Ms. Johnston stated that the Committee discussed writing a policy to address remedial education as was forwarded to them by the Education Committee and that policy will be two-fold; first addressing who can provide remedial education and second what remedial education must include. She stated that Ms. Nash is going to discuss remedial education with the SIP and has been directed to write a policy that will address the recommendations of the Education Committee, additional recommendations from Committee members, Dr. Ginder and Dr. Anderson to include PACE and CERP continuing education providers, and any additions as recommended by SIP.

Ms. Johnston informed the members that the Committee had discussed development of a policy on sharps disposal as the Board gets numerous inquiries in this regard and the Committee wants to provide specific guidelines instead of just referring the practitioner to Occupational Safety and Health Administration (OSHA) rules which causes practitioners another step to determine what should be done to dispose of their sharps. She indicated that she would research the information and draft a policy on the disposal of sharps to include small waste generators, etc.

Discussion followed wherein members discussed their understanding of the OSHA regulations and requirements for small waste generators.

Ms. Johnston stated that the Committee intends to draft a policy that contains evidence based recommendations such as placing sharps in OSHA-approved containers and disposing of them in regular waste so long as this
evidence provides that this process is not a threat to the public. She stated that if at some time evidence comes out or a study is performed that shows that there is harm to the public then they can amend the policy at that time.

Motion by Dr. Subramanian, second by Ms. Aquillo, to approve the Policy Committee report.

Motion carried unanimously.

Scope of Practice

Dr. Ginder informed the members that the Scope of Practice Committee had met earlier that day at 8:10 a.m. to 9:45 a.m. with all members in attendance. He stated that the Committee had three (3) speakers who provided information on sleep apnea; Dr. James Blank, Dr. Magalang and Dr. Leffler. He stated that all three (3) of the speakers agreed that there is some concern about the number of undiagnosed sleep apnea patients and the problems that this creates for patients overall health. All speakers seemed to agree that the dentist does play a role in treating sleep apnea, however, the diagnosis must be made by a physician. Dr. Ginder commented that dentists generally see patients on a more frequent basis than physicians and therefore the dentist is in a good position to see evidence of sleep apnea first. Therefore, a multi-disciplinary approach needs to be taken in regards to treatment, which is currently the policy.

Dr. Ginder informed the members that Dr. Blank emphasized the need for development of sleep apnea protocols within dental offices because this is a weak area for standard of care. He explained that Dr. Blank described the use of a work-up form that he uses which is medically based in order that he can better communicate with his referring physicians. Dr. Blank talked about the association between acid reflux, GERD, TMD and obstructive sleep apnea and that there was some confusion when Dr. Blank was talking about some of the appliances. Dr. Blank had explained that when he gets a referral from a physician and creates an oral appliance, he then uses a pulse oximeter of high resolution to titrate the appliances. That way when Dr. Blank refers the patient back to the physician he knows whether the dental appliance is working appropriately. Dr. Ginder explained that he believed that the second speaker, Dr. Magalang, suggested that it was the resting heart rate was an issue rather than oxygen supply. Regardless, Dr. Blank does emphasize the importance of referring back to a physician to make sure that the oral appliance is working. This is a chronic condition and success of these appliances has to be measured.

Dr. Ginder stated that Dr. Magalang suggested that six out of ten patients used CPAP’s and that four out of ten patients use oral appliances. Dr. Magalang was unsure as to whether this was by preference or intolerance of the CPAP, but reconfirmed that diagnosis must be from a healthcare provider or a physician and that there has to be some minimal protocols that the Board should develop in order that there are standards for qualified dentists to be fabricating these oral appliances. Dr. Magalang is against using and making “snore” appliances. He expressed that was one of the reasons minimum standards need to developed for sleep apnea for dentists along with the appropriate grandfathering of those dentists who have been successfully treating patients. Additionally, Dr. Ginder stipulated that minimum guidelines for appliances should be established as long as they are using FDA approved appliances.

Dr. Ginder stated that the third speaker, former Board member Dr. Bill Leffler, talked about different appliances and presented standards for qualified physicians or dentists and standards of care issues. Dr. Ginder informed
the members that the Committee ran a little over the time allotted but that allowed for the members to get the basics towards a definition of who is a qualified dentist and what are the standard of care issues that need to be addressed. He stated that one thing was made crystal clear was that dentists are not to make the diagnosis but rather they are part of the team in treating sleep apnea.

*Motion by Dr. Subramanian, second by Dr. Zucker, to approve the Scope of Practice Committee report.*

Motion carried unanimously.

President Clark took a moment to thank all of the Committee Chairs on their comprehensive reports and their continued diligence in addressing the Boards priorities.

**Executive Updates**

**President’s Update**

*Registration for the Ohio Dental Association Annual Meeting*

President Clark stated that she would keep her report brief by reminding her fellow Board members that registration for the Ohio Dental Association (ODA) Annual Session begins on August 4, 2017. She reminded the members that they were invited to attend the opening ceremonies of the annual session on September 14, 2017 and that she had requested Director Kamdar to provide the greetings to the ODA at that ceremony. She stated that she felt it appropriate for the ODA members to meet our Director and then thanked Director Kamdar for accepting her request.

**Executive Director’s Update**

*Deputy Director Nash – New Position with the Ohio Department of Developmental Disabilities*

Director Kamdar opened his update by turning the floor over to Deputy Director Nash. Ms. Nash informed the Board that this would be her last Board meeting with them. She stated that she will still be with the Board until mid-August but that she has been offered a position and has accepted it with the Ohio Department of Developmental Disabilities (DODD). She stated that she does not yet have a specific date due to paperwork timelines from human resources but it will probably be the middle of August. She expressed her thanks to the Board members for giving her this position and allowing her to serve them. She stated that she was confident that the Board is in great hands with Director Kamdar and with all of them.

Ms. Clark stated that they would miss her and thanked her expressing that her presence was always enjoyable.

Director Kamdar offered his congratulations and commented that this new position was well-deserved. He stated that Ms. Nash was an asset for the Board and she will be an asset to her future employer. He commented that she is a great lawyer; will help out their legal team; and he believes that she has a bright future ahead of her. He stated that we all wish her well and as much as it is a loss for the Dental Board she still stays within the state family.

Director Kamdar stated that they would announce the name of her successor at the appropriate time and assured the member that there would be continuity in operations.
Thank You
Director Kamdar stated that he wanted to thank each and every one of the members of the Board as he knows it is not easy dealing with some of the thorny issues that have been put in front of them. However, to ignore them and go in the other direction would be a greater travesty and so he wanted to commend them for their courage to stand up to these challenges that are in front of them. He said that while they may not all agree on everything, he believes they have been able to communicate with each other in a professional manner albeit their emotions might get in the way a little, but that is understandable. Director Kamdar stated that he could not be prouder to be a part of this group as he feels all of them are fantastic. He stated that they would get through all of these challenges. He wanted to reiterate that a lot of people played a part in getting movement on the fining authority including Dr. Subramanian. He stated that this a huge achievement for this Board. He stated that when he talks about “moving the needle”, these are the types of things he’s talking about. It is about helping the profession and helping out the consumers. He said that this was a great collaborative discussion with the people from the ODA and he hopes that we can continue that kind of positive dialogue with other things that are coming down the road for the Board.

Anything for the Good of the Board
2018 Board Meeting Calendar – Proposed Dates
President Clark stated that she would like for the members to consider finalizing the Board meeting dates for 2018. She stated that a copy of recommended dates had been distributed to the members at their last meeting in June for consideration. She stated that Ms. Johnston was the only member to respond to the Board office with a conflict for the suggested February Board meeting date. In discussion with Ms. Johnston they came up with alternative dates of January 24, 2018 which would bring the meeting closer to the December meeting for the Board, or February 14, 2018 which would place the meeting very close to the suggested March 7, 2018 meeting date which could be problematic.

Director Kamdar stated that the Board allows for members to miss two (2) of meetings per year but the larger concern was in ensuring that several of the members do not miss a particular meeting at the same time, as to assure that there is a quorum present to have the meetings. He asked the members to take a look at the proposed dates and their calendars in order that the best possible dates are chosen in order to have the most members present.

Discussion followed wherein it was decided to have staff send out a poll or survey to the members after the meeting with suggested dates to determine the best available dates for meetings for the members.

President Clark asked if anyone had anything for the good of the Board.

Ms. Johnston stated that she had received an e-mail from a friend at the Commission on Dental Competency Assessments (CDCA) who had sent her a copy of a letter from the Chair of the CDCA, Dr. Dave Perkins, regarding significant changes in the Western Regional Examining Board (WREB) examination, one of the examinations accepted for initial licensure in Ohio. She explained that the letter stressed that WREB is significantly changing their examination and that the CDCA is concerned that the examination will no longer be examining for the minimum standards of care. Therefore, the CDCA was contacting all of the dental boards across the nation who accept the WREB examination to have them consider re-evaluating acceptance of that exam. Ms. Johnston stated
that she did not have any more information to provide the members at that time as she had just received the information via e-mail recently, but that she wanted to make sure that the members were aware that this might be an upcoming issue.

President Clark thanked Ms. Johnston for the information and then asked if any other members had anything to report for the good of the Board. Noting that there were no additional items for discussion, President Clark called for a motion to adjourn.

Adjourn

Motion by Ms. Aquillo, second by Dr. Zucker, to adjourn the meeting.

Motion carried unanimously.

President Clark adjourned the meeting at 4:36 p.m.

[Signatures]

CONSTANCE CLARK, R.D.H.
President

ASHOK DAS, D.D.S.
Vice President
