## **ENFORCEMENT REPORT**

### **PERSONAL APPEARANCE(S)**

#### **LARK ANSPACH, DENTAL ASSISTANT RADIOGRAPHER**

Ms. Davis introduced Lark Anspach, Dental Assistant Radiographer, who was appearing before the Board for her initial interview. She informed the Board members that Ms. Anspach is a dental assistant radiographer, who has an EFDA certificate application on file in the executive office awaiting determination by the Board. Ms. Davis stated that the Board office had received anonymous information in March, 2008 that Ms. Anspach had been arrested and indicted on one count Possession of Heroin and Possessing Drug Abuse Instruments, a 5<sup>th</sup> degree Felony and 2<sup>nd</sup> degree Misdemeanor respectively.

Ms. Davis stated that Ms. Anspach is a recovering alcoholic since May, 1991 but had relapsed during the holiday weekend in July, 2007. She stated that Ms. Anspach began drinking again thinking she could do it just for the holiday. However, Ms. Davis told the Board that afterwards it all spiraled downhill for Ms. Anspach. Ms. Davis indicated that Ms. Anspach said shortly after that initial weekend she abused heroin until her arrest in November, 2007.

Continuing on, Ms. Davis informed the Board that Ms. Anspach entered into a Consent Agreement that was approved at the May, 2008 Board meeting. She stated that Ms. Anspach was required to attend treatment through Horizons Outpatient due to her criminal charges, and therefore, Dr. Hill's approved this treatment to satisfy the Board's requirement. Ms. Davis informed the Board that Ms. Anspach is required to attend aftercare for one year and attend at least three (3) Alcoholics Anonymous/Narcotics Anonymous (AA/NA) meetings per week. She stated that Ms. Anspach has been attending her required meetings and is providing random urine screens through her probation officer with the results being sent to the Board office.

Upon questioning by the Board, Ms. Anspach stated that she wanted to make amends to the Board and its members and apologized for taking their time. She informed the Board members that regardless of the outcome of this day's meeting, she will choose to remain free of drugs and alcohol. Ms. Anspach stated that she knows that it was her responsibility in that she relapsed because she had quit going to meetings and working the program. She stated that she is better today because she has a passion and desire for dentistry which helped her stay sober for nine (9) years. Ms. Anspach stated that she has a long history with addiction and that she now has the goal to help others with dependency problems.

Continuing on, Ms. Anspach stated that she is currently working part-time as a dental assistant and part-time as a receptionist. She stated that in the past she has worked as an expanded function dental auxiliary (EFDA) and that she currently has an application awaiting decision with the Board that would allow her to continue performing those duties.

When asked how today differs from November 2007, the date of Ms. Anspach's consent agreement with the Board, she informed the Board that her daughter had been born with a medical condition that will require hormone therapy for the rest of her life. Ms. Anspach stated that at that time, she associated the disease in her mind with alcoholics anonymous (AA) and that it hurt her extremely to give her daughter the medication. She informed the Board that today she is able to give her daughter the therapy without the anger she had experienced and that her acceptance of her disease is better.

*Motion by Dr. Kyger, second by Dr. Kaye, to reinstate the certificate of Lark Anspach, Dental Assistant Radiographer to practice radiography in the State of Ohio pursuant to the terms set forth in her consent agreement with the Board.*

Motion carried unanimously.

*Motion by Dr. Wallace, second by Dr. Kyger, to approve the application of Ms. Anspach to receive a certificate to practice as an expanded function dental auxiliary in the state of Ohio.*

**MICHAEL J. MISENCIK, D.D.S.**

Ms. Davis introduced Dr. Michael Misencik who was appearing before the Board today after his appearing at the July, 2008 Board meeting. She stated that at that time, Dr. Misencik was not in compliance with his meeting attendance. Ms. Davis indicated that since that meeting, Dr. Misencik has been in compliance every week and although

he missed an Aftercare session, he made his own arrangements to make up the missed session.

Continuing on, Ms. Davis stated that Dr. Misencik was mandated by the Board to take a clinical skills test prior to their consideration of his request for reinstatement, particularly because he has been out of practice for two (2) years. She stated that Dr. Misencik took a clinical examination at MetroHealth Medical Center under the direction of Dr. Hills and passed the examination with an 86%. Ms. Davis informed the Board that Dr. Misencik has now remained in compliance, passed the Board-mandated clinical exam, and is now appearing before the Board members again for consideration of reinstatement of his license to practice dentistry.

Upon questioning by the Board Dr. Misencik informed the Board that he has been attending all required meetings and aftercare. He stated that the meetings have become a very important and big part of his life. Dr. Misencik commented that although the terms of his consent agreement did not require it, he had even been attending caduceus meetings in addition to the AA and aftercare.

Dr. Misencik informed the Board members that he had completed and passed the clinical examination they requested. Dr. Hills briefly described some of the procedures that Dr. Misencik was tested on and explained that Dr. Misencik had completed the simulated clinical examination on a manikin.

Further questioning by the Board members revealed that Dr. Misencik was current with his continuing education requirements for renewal, which included a course in restorations. Dr. Misencik explained that if permitted to return to practicing, he would not return to private practice but rather another dentist or group would employ him. He stated that he had left practice with Dr. Metz in Lorrain, Ohio on good terms or that he might consider going back into practice at Locust Dental Clinic in Akron, Ohio. He stated that he is still working part-time selling gym equipment and doing construction work.
