DENTAL LICENSE APPLICATION

The applicant:

- 1) Must be at least 18 years of age,
- 2) Be a graduate of a dental school which was accredited at the time of his/her graduation by the American Dental Association (ADA) Commission on Dental Accreditation,
- 3) Be of good moral character **AND**
- 4) Must have **PASSED ALL PARTS** of one of the following examinations based on a conjunctive scoring method: North East Regional Board (NERB), Central Regional Dental Testing Service (CRDTS), Southern Regional Testing Agency (SRTA), or the Western Regional Examination Board (WREB), or passed Ohio's Clinical Examination (no longer available). NERB grades for those who took the examination AFTER January 1979 are on file in the Board office. Those who took the exam PRIOR to that date must obtain a copy of their scores from the North East Regional Board, 8484 Georgia Avenue, Suite 900, Silver Spring, MD 20910, phone (301) 563-3300. Those who took other regional board examinations must contact the exam entity and provide documentation demonstrating that all parts of the examination have been successfully passed based on a conjunctive scoring method; **OR**
- 5) Possess a dental license in good standing from another state and have been actively engaged in the legal and reputable practice of dentistry in another state or in the armed forces of the United States, the United States public health service, or the United States department of veterans' affairs for five years immediately preceding application.

If the applicant has not previously been examined on the Ohio State Dental Board (Board) statutes and regulations, the examination is available on our website at www.dental.ohio.gov under jurisprudence exams. You can also call the Board office at (614) 466-2580, to make arrangements to take the jurisprudence examination, where it is administered Monday through Friday (except holidays) between the hours of 8:00 a.m. and 3:00 p.m. Alternatively, you may make arrangements with your state board, or nearby dental or dental hygiene school to have the examination proctored at their facility. The examination must be taken prior to your application being presented for consideration at a Board meeting.

No provisions exist under Ohio law for temporary or provisional licensure while your application is being processed. The practice of dentistry or dental hygiene prior to licensure constitutes the illegal practice of dentistry/dental hygiene, a criminal offense.

PROCESS OF ELIGIBILITY DETERMINATION AND LICENSURE

All materials submitted to the Board will be thoroughly examined, and individuals will be contacted regarding the application as the Board deems necessary prior to possible licensure in Ohio. Ohio law sets forth the confidentiality of information generated as part of the application process.

LICENSE AND WALL CERTIFICATE

Upon issuance of an Ohio license number, a letter of notification will be sent to you. **That letter will serve as legal authorization to practice in Ohio**, and will be mailed to you as quickly as possible. This letter will be the **ONLY** proof of licensure you will have until the next renewal period, so please keep it! Upon receipt of the wall certificate, you are expected to frame and display it in a conspicuous place in the office in which you practice the majority of the time.

DEA CERTIFICATE

It is important that you **NOT** apply for a narcotics permit from the U.S. Drug Enforcement Administration until you have been notified that you are licensed in Ohio. Premature application will only delay your request, since a permit cannot be issued until you have a license. Further information regarding applications for this certificate will be sent with your letter granting licensure

INCOMPLETE APPLICATION

Incomplete applications may be returned to the applicant, delaying the approval process. **PLEASE READ ALL INSTRUCTIONS CAREFULLY. ANSWER ALL QUESTIONS ON THE APPLICATION, AND SUBMIT ALL OTHER REQUESTED INFORMATION WITH YOUR APPLICATION WHENEVER POSSIBLE.**

All questions must be fully answered. Indicate N/A (Not Applicable) where appropriate.

All responses on the application must be typed or legibly printed.

Appropriate sections as indicated must be notarized.

If for any reason additional space is needed for any part of the information requested, use an extra sheet of plain white paper. Enter your last name and initials in the upper right-hand corner. Type only on one side.

REMINDER: The Ohio State Dental Board jurisprudence examination on the Dental Practice Act (statutes and regulations) must be taken and passed **before** we submit your application to the Board for consideration.

APPLICATION PROCESSING TIME

Applications **MUST** be in the Board office **at least 30 days prior to the date of the next scheduled meeting**. The length of time needed to process the application depends directly on how quickly the application is returned to the board; when the next Board meeting is scheduled (the Board meets 8-9 times per year); and whether or not the application has been properly completed. Any errors or omissions on the application or in documentation will greatly delay the processing time. **PLEASE MAKE EVERY EFFORT TO MINIMIZE PHONE CALLS TO THE BOARD OFFICE TO INQUIRE ABOUT THE STATUS OF YOUR APPLICATION. TIME SPENT ANSWERING TELEPHONE INQUIRIES IS TIME LOST FROM PROCESSING APPLICATIONS, AND INEVITABLY RESULTS IN A SLOWING OF THE ENTIRE PROCEDURE FOR EVERYONE.**

CRIMINAL RECORDS CHECKS REQUIRED FOR INITIAL LICENSURE

Section 4715.101 of the Ohio Revised Code requires all individuals applying for a license issued by the Ohio State Dental Board (board) to submit fingerprints for a criminal records check completed by the Bureau of Criminal Identification and Investigation (BCI&I) and the Federal Bureau of Investigation (FBI).

INSTRUCTIONS FOR OHIO RESIDENTS

Applicants residing in Ohio are required to utilize "WebCheck" to electronically submit their fingerprints to BCI&I. The Board will typically receive the results of a criminal records check submitted via "WebCheck" within 7 to 10 business days. In addition to the \$22 BCI&I fee and the \$24 FBI fee, the electronic fingerprinting location may charge its own fee to process the fingerprints. Since the law requires applications for licensure to submit a records check completed by both BCI&I and FBI, you **must** use the services of a "WebCheck" vendor that participates in the "National WebCheck." The Sheriff's offices in all 88 counties participate in the "National WebCheck." A list of other "WebCheck" vendors in Ohio, arranged by county, is available online at: <http://www.ohioattorneygeneral.gov/Services/Business/WebCheck/Webcheck-Community-Listing>. When locating an electronic fingerprinting site on this web page, please note that you **must** use the services of a vendor that has "BCI & FBI" listed after the vendor's name as only these entities participate in "National WebCheck." You need both the BCI&I and FBI records check for initial licensure. By law, the board cannot complete the processing of your application until it receives the background check reports from both these entities.

Instructions for "WebCheck"

1. Identify a "WebCheck" vendor that participates in the "National WebCheck" and contact that location for specific instructions.
2. Submit the required fee directly to the "WebCheck" vendor. **DO NOT SEND YOUR FINGERPRINTS OR FEE TO THE BOARD.**
3. Request that the criminal records check results from both BCI&I and FBI be sent directly to:
Ohio State Dental Board
77 S High St., 18th Floor
Columbus, OH 43215-3135
4. List the reason for fingerprinting as: "Required for licensure per ORC 4715.101"

INSTRUCTIONS FOR OUT-OF-STATE RESIDENTS

You must contact a local law enforcement agency to arrange for the required fingerprinting on two (2) fingerprint cards. This can only be accomplished by a law enforcement official who must sign and date the cards to verify the accuracy and authenticity of the prints. Any processing fees required for this service should be paid directly to the involved agency. Reminder: Fingerprints processed from out-of-state locations are processed much slower, up to 3 to 4 months, than electronic fingerprints taken within the State of Ohio. Additional delays can occur if the prints are unreadable or information is not complete. If time is extremely critical, you may want to consider submitting the prints electronically from an Ohio location. Should you choose to come to Ohio for your criminal records check, please see Instructions for Ohio Residents.

Instructions for completing the Fingerprint Card Process

1. Complete and send BOTH cards to BCI&I after you have been fingerprinted at a law enforcement agency.
2. Complete all the information above the solid blue lines in BLACK INK.
3. Write clearly, as unreadable cards will be rejected.
4. Do not alter the card or boxes.
5. For the FBI (applicant) card: **Race:** W (White); B (Black); A (Asian); I (American Indian/Alaskan Native American); U (Unknown.) **Eyes:** BLK (black); BLU (blue); BRO (brown); GRN (green); GRY (gray) or XXX (unknown.)
6. Make money order or cashier's check payable to Treasurer, State of Ohio. Submit \$22.00 for the Civilian Background Check and \$24.00 for the FBI Check for a total of \$46.00.

IMPORTANT: SEND BOTH CARDS AND FEES TO BCI&I, PO BOX 365, 1560 STATE ROUTE 56 SW, LONDON, OHIO 43140 (740-845-2375.) DO NOT SEND CARDS AND FEES TO THE BOARD OFFICE.
