Committee Reports

Education

Biennial Sponsor Applications
Dr. Bean informed the Board members that the Education Committee has not met since February but continues to receive Biennial Sponsor and Biennial Sponsor Renewal applications for the 2020-2021 biennium. During the May meeting, the Board voted to provisionally and retroactively approve the sponsorship applications received to that time. The Board office has continued to receive these applications. Therefore, as Chair of Education Committee she would like to continue approving the following Biennial Sponsor applications for consistency and continuous provider approval without interruption:

- Elevate Oral Care
- Terry V. Gruelle, DMD, MS
- Heath Dental Laboratory
- Zachary J. Mellion, DMD, MSD & Alex T. Mellion, DMD, MSD
Motion by Dr. Bean, second by Dr. Krob, to provisionally and retroactively approve the sponsor applications received since the May 2020 Board meeting that have met the requirements and guidelines to become Biennial Sponsors of the Board in order to allow them to continue offering these services to Ohio licensees:

Motion carried with Dr. Brisley-Sedon, Dr. Lakireddy, Ms. Scaramucci, and Dr. Zucker abstaining.

Dr. Bean stated that as the Education Committee begins its work again and when we return to holding in-person meetings, there are a few things that we will be addressing such as the amended CE rules, CPR in light of COVID-19, guidelines for clinical courses for out-of-state attendees, and the approval of the American Academy of Dental Hygiene’s request for Permanent sponsorship.

President Subramanian thanked Dr. Bean for the Education Committee Report.

Licensure Examination Format

President Subramanian then stated they would now hear from the recently created Licensure Examination Format Committee which was formed to research and report on non-patient based licensing exams for dental and dental hygiene students. The Committee consists of Dr. Brisley-Sedon as Chair, members Dr. Bauer, Ms. Carr, and Ms. Scaramucci with Dr. Bean and Dr. Quereshy as academic advisors. He then asked Dr. Brisley-Sedon on her report to the Board.

Dr. Brisley-Sedon thanked President Subramanian and stated that at this point there was an interoffice memo distributed to all the members and the advisors. The memo divided up the different examination formats which the Board was currently aware of and assigned them to individuals. She stated that some researchers were listed for contact and their goal was to have their first meeting via Skype for Business on Thursday, October 1, 2020 at 7:00 p.m. in order to see if there are questions, need for more resources, and other such things. Dr. Brisley-Sedon stated that this would help to design their path going forward to gather the data. Their goal is to collect the data, summarize it, and come up with recommendations for the Law and Rules Review Committee before the end of October. She added that she provided her email and phone number for any questions that anyone may have. She concluded by stating that at this point the committee members were in work mode.

Executive Updates

President’s Update

President Subramanian extended a warm welcome to our newest board member, Dr. Paul Kelley, from Waverly, Ohio and stated that he looked forward to working with him.

President Subramanian stated that we are now almost at the end of the year and believes they all agree that 2020 has been rather eventful. He stated that from the opioid epidemic to the COVID pandemic this year has been anything but usual. Despite all that humans do and the difficulties that we all face, we should never forget our primary goal as members of the Board, which is to protect the public.

President Subramanian said that this applies not only to dentistry but in any way you can help the public. The past few weeks it has become clear that we have a number of items on our agendas that need to be addressed. These issues were left before the discussions from our last in-person Board meeting in February of this year. He
stated that the goal now is to schedule committee meetings prior to the next Board meeting in order to enable us to complete some of these tasks. Previously, we had committee meetings in the morning with the Board meeting in the afternoon. However, for convenience he would like to have the respective committee chairs reach out to their committee members and schedule committee meetings while ensuring that proper notifications are posted as required by the Sunshine Law. President Subramanian asked the committee chairs to copy Director Kamdar, Mr. Russell and Ms. Franks on any of the meeting preparations and to reach out if they had any difficulties in scheduling the meetings.

President Subramanian stated that the Ohio Dental Association (ODA) is having their annual meeting in the Zoom Format this week. The House of Delegates meetings are scheduled for Friday at the Annual Session which has an impressive line-up of speakers and topics. He suggested that this would be a good opportunity to see and interact with their colleagues whom they may have not seen in a while due to the pandemic.

President Subramanian said he would like to conclude his update by thanking the out-going President of the ODA, Dr. Sharon Parsons, for wonderful stewardship during these trying times and working with the Board in finding the optimum way of dealing with the pandemic. He also wanted to welcome the in-coming President, Dr. Dave Kimberly. He stated that he looked forward to continuing the relationship between the Board and the Association in providing optimum care for the citizens and protecting their interests. President Subramanian stated that we must always remember “Do no harm.” Economics or societal pressure cannot compromise the work we do to “Do no harm” to society. He stated that in that same manner, we must advocate for oral health as an overall part of the health of an individual and not as a separate entity. President Subramanian stated “Let us be the change that we want to see for a better tomorrow,” for both, the profession and the public.

President Subramanian turned the meeting over to Director Kamdar for the Executive Director’s Update.

Executive Director’s Update

Continuance of Virtual Meeting Via Skype Due to COVID-19 Pandemic

Director Kamdar thanked President Subramanian and welcomed everyone joining the meeting; Board members, staff, and guests. He thanked everyone for their patience as we struggle through some of the technology issues. He stated that much of it is dependent on the kind of internet service each person has and staff are trying to work on that with Board members.

Supervisory Investigative Panel Expense Report (revisited)

Director Kamdar stated that he wished to address a technical matter from earlier in the meeting regarding the SIP Expense Report. Board Secretary, Dr. Kyger and Dr. Zucker, Vice Secretary, had attested to having spent at least twenty (20) hours per week attending to Board business. However, the Board had not voted on the SIP Expense Report. Therefore, he asked the members if there was a motion in this regard.

Motion by Dr. Subramanian, second by Dr. Bean, to approve the Supervisory Investigative Panel Expense report.

Roll call vote:  
Dr. Bauer – Yes  
Dr. Bean – Yes  
Dr. Brisley-Sedon – Yes  
Ms. Carr – Yes  
Dr. Kelley – Yes  
Dr. Krob – Yes  
Dr. Kyger – Abstain  
Dr. Lakireddy – Yes
Dr. Quereshy – Yes
Ms. Scaramucci – Abstain

Motion carried with Dr. Kyger, Dr. Zucker, and Ms. Scaramucci abstaining.

Annual Report
Director Kamdar stated that the Board has completed its most recent Annual Report which was released just a few weeks ago and it is now available on our website. He encouraged the Board members to take the opportunity to review it.

Biennial Budget Request
Director Kamdar informed the Board members that the Boards biennial budget request which is required by the State of Ohio was filed with the Office of Budget and Management. He stated that is the beginning of the process for budget approval that will be conducted by the state legislature and the Governor and will stretch all the way into June 2021. He informed the members that the biennial budget request is for Fiscal year 2022 and Fiscal Year 2023.

Email Blast to Dentist
Director Kamdar informed the Board members that an email blast went out to our licensed dentists warning them of scammers that are pretending to be the Ohio State Dental Board or a federal authority. He stated that we want to reiterate this message to make sure that those who are listening pass this along to others to be sure to call the Dental Board office and confirm the legitimacy of these requests of dentists. He said that such things as accusations of not filing reports, or licensees being out of compliance, and threats that are being made about revoking licenses if thousands of dollars are not paid right away along with threats of warrants for arrest are being made. Director Kamdar reiterated that it is a scam and asked everyone to spread the word.

Committee Meetings
Director Kamdar stated that as the board President pointed out, we are going to continue with this online platform for the foreseeable future which will allow the business of the Board to continue. He stated that he was pleased that the Licensing Examination Format Committee under Dr. Brisley-Sedon’s leadership will be meeting on-line next Thursday, October 1, 2020. He reminded everyone that meeting is open to the public just as much as this Board meeting. He stated that this is a step in the right direction and the committee chairs will decide on what, how and when to present it. Committee meetings may be held on the morning of Board meetings as in the past but because of the availability of the new remote platform it allows for meetings to be held at different times and days.

Welcome new Board Member, Dr. Paul Kelley
Lastly, Director Kamdar said that he wished to welcome our newest Board member, Dr. Paul Kelley. He said that he had a very enjoyable meeting with him and the Board President at a coffee shop a few weeks ago. He stated that he is thrilled that Dr. Kelley is now on our Board as he brings with him a wealth of experience and knowledge. He is also an examiner for the CDCA.

Director Kamdar then turned the meeting back over to President Subramanian.
